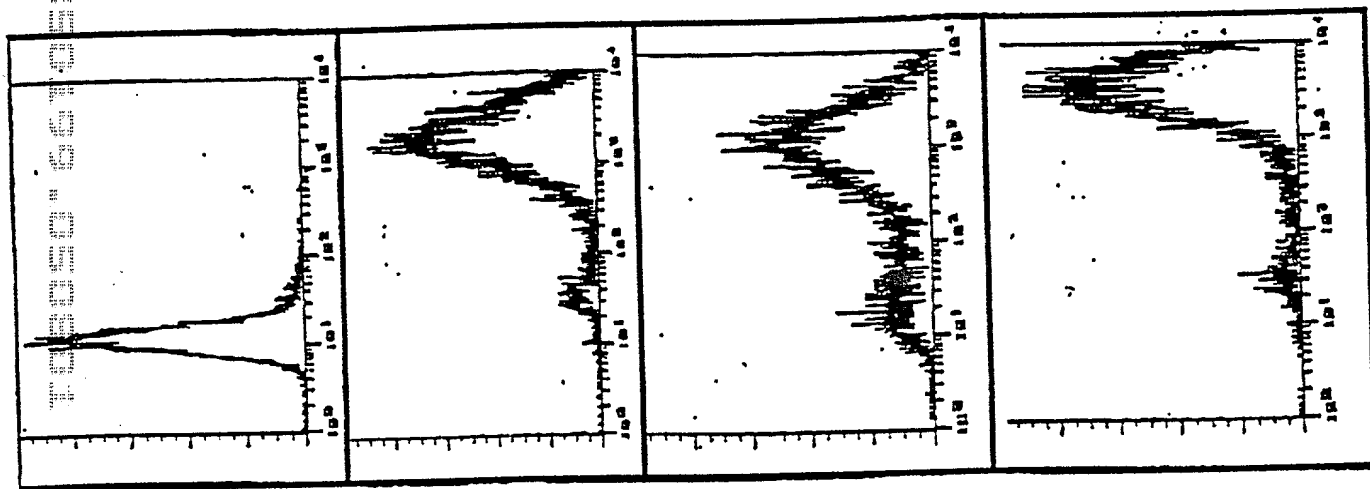

Figure 2

Figure 2 shows the results of the experiment. The images are arranged in a 3x2 grid. The top row shows the results of the experiment at 10X magnification. The middle row shows the results at 40X magnification. The bottom row shows the results at 100X magnification. The images are labeled A, B, C, D, E, and F. The labels are arranged in a 3x2 grid. The labels are: A, B, C, D, E, and F. The labels are: A, B, C, D, E, and F. The labels are: A, B, C, D, E, and F.
